The City of Pearland's contractor, Texas Sterling, will be closing McLean Road north of the intersection with Bailey Road on Monday, November 14, 2016 and continuing for approximately 2 months for construction of new drainage and paving at this intersection. If you are coming along Bailey Road from the west side of McLean Road, please use Harkey Road north to Magnolia Street as an alternate route. If you are coming along Bailey Road from the east side of McLean Road, please use Veterans Drive north to Magnolia Street as an alternate route.

Drivers should be aware of heavy equipment and construction personnel in the vicinity of the worksite, and be prepared for minor delays resulting from the construction work. This work however, should not interfere with access to any surrounding properties or businesses. The City urges all drivers to please exercise caution while in the area and obey all traffic controls and flaggers.
