Permit #: _____

Banner Application

Banners

- a. Banner can be permitted in accordance with the ordinance and shall be displayed at the permittee's normal place of business or operation and shall be affixed to that side of the building facing the street on which the permittee is addressed.
- b. Each applicant shall include the period of display for the banner to be permitted, including the day that the display will start and the day when it will cease.
- c. The display period shall be continuous and uninterrupted by period of non-display. A separate permit shall be required for each period of display of the banner.
- d. Banner display allowed announcing grand opening for a period of 30 days after a permit has been acquired.
- e. Banners other than Grand opening are allowed to advertise sales events 14 times per year for a total duration of 24 days inclusive. The occupant has the option of dividing the total days among the 14 events, with the minimum duration of display being one 1 day.

Permits that require plans or attachments need to be submitted on a CD/USB in PDF Format and include the application.

Land Use classification per the Land Use Matrix in the (UDC) Uniform Development Code:										I understand that any construction proposed to be installed within a property easement with prescribed rights to a private entity may require the permission of the private entity prior to the start of construction. Failure to secure such permission may result in the right holder(s) of the easement removing any unapproved pavement, structures, utilities or other facilities located within the easement. The responsibility of securing approval is not the responsibility of the City of Pearland permitting staff. _____ Initials
