Group Exercise Guidelines

- Class instructors are subject to change without notice.
- Classes function on first-come, first-serve basis. Instructors reserve the right to refuse access if class reaches max.
- Must be 10 years of age or older to participate in all group exercise classes, ages 10-15 must have signed release form from physician and must be accompanied by parent/guardian at all times while attending classes.
- Please be considerate to others and turn off your cell phone.
- Please wear appropriate workout attire including tennis shoes for land classes.
- Please return the equipment to its place in the storage rooms.
- Please no food or gum. Beverages must be in non-breakable containers with caps.

Class Descriptions

Body Toning: A total body strength training challenge promoting muscle endurance to get you toned.

Bootcamp: Everything goes in this cardio & strength training class where you will be motivated to challenge & push yourself.

Chisel: Total body sculpting from head to toe using dumbbells and weighted bars. Carve, cut and tone your muscles to gain strength, muscle endurance, and 'get chiseled'.

Fierce Funk®: Combines a street style funk movement with a contemporary hip-hop feel, for an inspiring, fun and complete workout. It brings a sense of fun, empowerment, passion, energy and a philosophy of love toward others to their classes through dance and fitness movements to energizing music.

Indoor Cycle: The resistance on a stationary bike will have your legs burning and heart pumping. This cardio class is as intense as you can make it. Let the instructor take you on the ride of your life..

Interval Impact: For anybody that loves the thrill of competition of simply wants to energize their workout. Improve agility, strength and power- the three pillars of athletic performance- prepare for the next big event, or have an easier time tackling everyday life. This class is for all levels who enjoy a rush.

PiYo: A mat conditioning class inspired by yoga and pilates. Muscle sculpting, core firming benefits of pilates combined with the strength and flexibility of yoga cranked up for a fat burning, low-impact, high-intensity workout.

Senior Aerobics: Functional exercises for our active population of 60+. We will use light weights and equipment to improve strength, balance, and flexibility. (All ages welcome)

Step Aerobics: Its creative routines that builds cardiovascular endurance and burns excess fat at a fast rate. A variety of moves without complex choreography will keep your body in motion..

Strength Training: a complete body toning workout utilizing dumbbell equipment. In this hi/low workout training program you will build endurance, confidence and help you achieve the body you well deserve.

STRONG by Zumba®: combines high intensity interval training with the science of Synced Music Motivation.

S.W.A.T. Training: A mix of interval, circuit, and hi/low intensity training to keep you challenged in a different way each week. Offers a combination of **Strength** and **Conditioning** movements, **Weight Training** and **Aerobic Exercise** for a **Toned** body and improved athletic performance.

Water Fitness: Enjoy non-impact exercises in the pool while using different modalities to make the water resistance higher.

Water Resistance Training: Similar to Water Aerobics with an extra kick to get your heart rate and muscles racing.

Yoga: Hold poses with the correct body alignment to increase your strength, endurance, and overall well-being. Also focuses on flexibility with stretching. End the class with mental and physical relaxation. This class is for the mind, body, and soul.

Zumba®: A Latin cardio-dance workout incorporating beats and rhythms. Put a smile on your face while getting fit.

Zumba® Gold: A Latin cardio-dance workout specifically for our active population of 60+. (All ages welcome)

Zumba® Gold Toning: This program combines the enticing world rhythms of Zumba Gold® with the strength-training techniques of Zumba® Toning. You'll learn how to use weighted, maraca-like Zumba Toning Sticks to enhance rhythm, build strength and tone all the target zones.
