DESCRIPTION OF ZONE

In accordance with the Tax Increment Financing Act (Chapter 311, Tax Code), Reinvestment Zone Number Two, City of Pearland, Texas (the Zone) was established by Ordinance 891 of the City Council of the City of Pearland (the City), Texas on December 21, 1998. The original Zone, also known as "Shadow Creek Ranch", consisted of 3,467 acres located in Brazoria County and Fort Bend County, Texas. In addition, the Zone is located in Alvin I.S.D. (AISD), Fort Bend I.S.D. (FBISD) and a small portion in Pearland I.S.D. (PISD). The original Zone is generally bounded by Clear Creek on the north, State Highway 288 on the east, Broadway (the extension of FM 518 west of S.H. 288) on the south and FM 521 on the west. A map illustrating the original boundaries of the Zone follows on page 15 as Exhibit 1. On August 23, 1999, by Ordinance No. 918 of the City, the Project Plan and Reinvestment Zone Financing Plan (the Project Plan) for the original TIRZ boundaries was adopted.

1st Plan Amendment

On July 10, 2006, by Ordinance 1276 of the City, the Project Plan was amended and the Zone was expanded to provide for the annexation of 457 acres of vacant land, adjacent to the Zone. 288 acres are in Brazoria County and 169 acres are in Fort Bend County.

2nd Plan Amendment

On November 13, 2006 by Ordinance 1312 of the City, the Project Plan was amended to provide for development of public improvements to serve Shadow Creek Ranch Town Center. The proposed development is within the boundaries of the original Zone and Brazoria County.

3rd Plan Amendment

On November 13, 2006 by Ordinance 1313 of the City, the Project Plan was amended and the Zone was expanded to provide for the annexation of 8± acres to facilitate the improvement and widening of Broadway from S.H. 288 to F.M. 521. The boundaries of the annexed area are within Brazoria County.

The Zone is now composed of 3,932+ acres, of which 3,125± acres are within Brazoria County and 807± acres are within Fort Bend County. A map illustrating the boundaries of the Zone as expanded follows on page 16 as Exhibit 2.

PURPOSE OF ZONE

The objective of the Zone is to facilitate quality mixed-use development with a self-sustaining tax base for the City and the other participating taxing entities.

The City Council, in adopting the ordinances creating and expanding the Zone, found that the development described in the Project Plan, and its subsequent amendments, would not likely occur, to the quality, standards and densities described in the Project Plan, but for the creation of the Zone.

The City Council further found that improvements in the Zone will significantly enhance the value of all taxable real property in the Zone and will be of general benefit to the City. The Zone will pursue its objective by acting as a financing vehicle for regional public improvements, as described in the Project Plan as amended. The methods of financing and the sources of funding available to the Zone, including the participation levels of the various participating entities, including the City, Brazoria County, Fort Bend County and Alvin ISD, are described in the Project Plan and its amendments.

STATE OF THE ZONE AND PLAN IMPLEMENTATION IN 2014

1. The information provided in this section is in accordance with § 311.016 (a) (1) of the Texas Tax Code, which requires inclusion of the amount and source of revenue in the tax increment fund established for the zone.

In addition to the City's tax increment revenue, interlocal agreements with Brazoria County, Fort Bend County and Alvin ISD provide for each taxing unit's participation in the Zone. The Project Plan also allows for the participation of Brazoria Drainage District No. 4 and Fort Bend Independent School District, though neither is currently participating. Levels of participation are detailed in the Project Plan and current levels of participation are shown in Table A. The zone is currently in its sixteenth year.

The obligations of the participating taxing jurisdictions, as defined in their respective interlocal agreements, include the timely deposit of tax increment into the City's tax increment revenue fund.

Table B illustrates the growth in appraised value from base year to tax year 2015 for each participating jurisdiction. Table C illustrates the amount of the incremental revenue, which has been transferred to the increment fund. These amounts are based upon actual taxes collected as of December 31, 2015.

1st Plan Amendment

The original list of project costs was amended with the approval of the 1st Plan Amendment, which included improvements, estimated to total \$34,724,218. These improvements address the water, wastewater, storm sewer, lakes channels, roads and landscaping costs for the 457± acre annexation.

2nd Plan Amendment

The list of project costs was amended again with the approval of the 2nd Plan Amendment, which included improvements estimated to total \$11,749,618. These improvements address major road infrastructure, detention, drainage, landscaping and the relocation of pipelines and overhead utilities. All projects associated with this annexation have been completed.

3rd Plan Amendment

The list of project costs was amended a third time with the approval of the 3rd Plan Amendment, which included improvements estimated to total \$8 million. This amendment addressed the need to fund and construct a section of Broadway. All projects associated with this annexation have been completed.

These costs are detailed in the amended Project Budget, a copy of which follows as Table D. The Zone as now enlarged is composed of 3,932± acres, of which 3,125± acres are within Brazoria County and 807± acres are within Fort Bend County. During calendar year 2015 Shadow Creek Ranch reported approximately 205 home sales and 234 closings. This brings the total number of homes in the Zone to 5,902 as of December 31, 2015. Also, major construction during 2015 included completion of the Memorial Herman Hospital and Medical Center, 658 multi-family units, a neighborhood commercial center, Panda Express and an Auto Zone.

Bond Issues

In accordance with a Tri-Party Agreement dated October 11, 2004 between the TIRZ, the City of Pearland, and the Development Authority of Pearland (DAP), the TIRZ has pledged increment to provide for the repayment of debt issued on its behalf. In this regard, the DAP sold bonds in 2004, 2005, 2006, 2007, 2009, 2013 and 2014. In 2015, the Development Authority and the City approved the issuance of \$66,030,000 in Increment Contract Revenue and Refunding Bonds, Series 2015. A portion of the proceeds, \$45,830,000, was used to refunding the remaining outstanding bonds of Series 2012.

Total direct payments as of the end of 2015 for the DAP is \$54,831,860, all of which are reflected in the reimbursements outlined in Table F.

Additional LFA's Approved for Reimbursement

The Zone Board has approved a series of Letter Financing Agreements (LFA's) for reimbursement. Prior to Board action all project costs related to each LFA were reviewed by the Zone's Auditor, McGrath & Co. PLLC, and summarized in a reimbursement report, which included eligible project costs plus interest.

Table F outlines Letter Financing Agreements approved through the end of 2015.

4. The information provided in this section is in accordance with §311.016 (a) (4) of the Texas Tax Code, which requires inclusion of the tax increment base and current captured appraised value retained by the zone.

In each year subsequent to the base year, the Zone will receive tax increment revenue based on ad valorem property taxes levied and collected by each participating taxing unit on the captured appraised value of the Zone. The captured appraised value of the Zone is the total appraised value of all real property located within the Zone as of January 1, less the total appraised base year (January 1, 1998) value.

As of December 31, 2015, development schedules for the original Zone remained unchanged from projections in the Project Plan. However, because the pace of development is unpredictable, and because the Project Plan provides a best estimate of captured appraised values, the actual captured appraised value in any future year may not equal the projected estimates of such value.

As of January 1, 1998, the base year for the Zone, the area encompassed by the original Zone was undeveloped land, with a total appraised value of \$7,172,980. On January 1, 2015, the area encompassed by the Zone had a total appraised value of \$1,815,013,156. As a result, the total captured appraised value (net base year value and exemptions) on the tax roll as of January 1, 2015 was \$1,807,840,176 for the City, as illustrated in Table B.

The City of Pearland base year (2006) value for the 457± acres annexed in the 1st Plan Amendment was \$4,381,680. As of January 1, 2015 the total appraised value was \$9,781,810. As a result the total captured appraised value on the roll as of January 1, 2015 was \$5,400,130. All lands associated with the 2nd Plan Amendment are within the boundaries of the original Zone. All lands associated with the 3rd Plan Amendment are either owned by a municipality or are dedicated right-of-way with no taxable value.

5. The information provided in this section is in accordance with §311.016 (a) (5) of the Texas Tax Code, which requires inclusion of the captured appraised value shared by the municipality and other taxing units, the total amount of tax increments received, and any additional information necessary to demonstrate compliance with the tax increment financing plan adopted by the governing body of the municipality.

As previously stated, the City, Brazoria County, Fort Bend County and Alvin ISD are the only taxing units currently participating in the Zone. As of January 1, 2015 the total captured appraised value in the TIRZ was \$1,813,240,306 for the original and annexed areas of the Zone. The total amount of tax increment revenue received is detailed in Table C.
