Class Descriptions

Barbell Blast: A barbell class combined with core work that will sculpt, tone and strengthen your entire body, fast.

Body Toning: A total body strength training challenge promoting muscle endurance to get you toned.

Bootcamp: Everything goes in this cardio & strength training class where you will be motivated to challenge & push yourself.

Chisel: Total body sculpting from head to toe using dumbbells and weighted bars. Carve, cut and tone your muscles to gain strength, muscle endurance, and 'get chiseled'.

Complete Core: A stronger core makes you better at everything you do. The instructor will guide you through correct technique as you work through body weight exercises like crunches, and hovers. You will also get into some hip, butt and lower back exercises.

Core de Force: This MMA-inspired, total-body workout uses core conditioning combinations, bodyweight moves, and cardio spikes to harness the power of your core and have you feeling like a total bada**.

Indoor Cycle: The resistance on a stationary bike will have your legs burning and heart pumping. This cardio class is as intense as you can make it. Let the instructor take you on the ride of your life.

Interval Impact: For anybody that loves the thrill of competition or simply wants to energize their workout. Improve agility, strength and power- the three pillars of athletic performance- prepare for the next big event, or have an easier time tackling everyday life. This class is for all levels who enjoy a rush.

MASHUP: Experience a short, effective workout with Variable-intensity Interval Training (VIIT). This program features Mind/Body, Agility & Strength, and High-intensity Interval exercises for every fitness level for a fun and challenging workout!

PiYo: A mat conditioning class inspired by yoga and pilates. Muscle sculpting, core firming benefits of pilates combined with the strength and flexibility of yoga cranked up for a fat burning, low-impact, high-intensity workout.

Senior Fitness: Functional exercises for our active population of 60+. We will use light weights and equipment to improve strength, balance, and flexibility. (All ages welcome)

Senior Cardio Sculpt: Gets the heart pumping with modifications for everybody. A combination of low impact cardio, upper and lower body weight training including Abs.

Step Aerobics: Its creative routines that builds cardiovascular endurance and burns excess fat at a fast rate. A variety of moves without complex choreography will keep your body in motion.

Strength Training: a complete body toning workout utilizing dumbbell equipment. In this hi/low workout training program you will build endurance, confidence and help you achieve the body you well deserve.

STRONG by Zumba®: combines high intensity interval training with the science of Synced Music Motivation.

S.W.A.T. Training: A mix of interval, circuit, and hi/low intensity training to keep you challenged in a different way each week. Offers a combination of **Strength** and **Conditioning** movements, **Weight Training** and **Aerobic Exercise** for a **Toned** body and improved athletic performance.

U-Jam Fitness®: An athletic urban dance fitness workout that combines dance and high energy music for a workout that is bound to get your heart rate up, your body moving, and make you work up a sweat -- all while having FUN!

Water Fitness: Enjoy non-impact exercises in the pool while using different modalities to make the water resistance higher.

Water Resistance Training: Similar to Water Aerobics with an extra kick to get your heart rate and muscles racing.

Yoga: Hold poses with the correct body alignment to increase your strength, endurance, and overall well-being. Also focuses on flexibility with stretching. End the class with mental and physical relaxation. This class is for the mind, body, and soul.

Zumba®: A Latin cardio-dance workout incorporating beats and rhythms. Put a smile on your face while getting fit.

Zumba® Gold: A Latin cardio-dance workout specifically for our active population of 60+. (All ages welcome)
