From: Cara Davis, Project Manager
Capital Projects

Date: February 23, 2018

**Subject: TRAFFIC ADVISORY – TRAFFIC SIGNAL TURN ON AT
INTERSECTION OF BAILEY ROAD and MCLEAN ROAD
2/23/18**

**Bailey Road Reconstruction Project ~1,700 LF W. of FM 1128 to Veterans
Dr.**

The City of Pearland's contractor, Texas Sterling Construction Co., through their subcontractor, Reliable Signal & Lighting Solutions, LLC, will be performing the turn on of the permanent traffic signal at the intersection of Bailey Road and McLean Rd starting at approximately 9:00 a.m. Friday morning, February 23, 2018. Police officers will be on-site to assist with traffic control. Please expect intermittent lane closures and delays while the signal is being brought online.

Project activities are weather dependent and subject to change. Drivers should be aware of heavy equipment and construction personnel in the vicinity of the worksite, and be prepared for minor delays resulting from the construction work. This work however, should not interfere with access to any surrounding properties or businesses. The City urges all drivers to please exercise caution while in the area and obey all traffic controls and flaggers.
