Subject: REVISED: CLOSURE OF E. ORANGE BETWEEN
GRAND & HOUSTON 3/1/2018

On Thursday March 1, 2018, E. Orange Street between N. Grand Blvd. and N. Houston Ave. will be closed to traffic to allow the contractor, SER Construction, to complete this section of drainage and paving as quickly as possible. Traffic will be routed south on Grand, west on Plum, then north on Houston to bypass the area. This detour is anticipated to be in place for approximately three (3) weeks, weather permitting.

Additional Traffic Advisories will be published as warranted to inform the public of new developments on the project, including changes in traffic circulation patterns as the work progresses. Please obey all construction zone signs and flaggers, and be aware of construction equipment and personnel within the work zone. The City urges drivers to exercise extreme caution when driving in this area.
