Subject: PARTIAL ROAD CLOSURE – E. ORANGE BETWEEN
SH35 & N. HOUSTON

Pearland Fire Department
Pearland Communications

Starting Wednesday, April 4, 2018, E. Orange will be closed to eastbound traffic between SH35 and N. Houston to allow the contractor, SER, to complete drainage and paving work. N. Houston will be closed to through traffic between Plum and E. Orange. Weather permitting, this closure is anticipated to be in effect for approximately 4-5 weeks.

As a reminder, an adjacent project has Old Alvin closed to southbound traffic between McHard Rd. and Town Ditch. Please plan accordingly as these closures may cause delays.

Additional Traffic Advisories will be published as warranted to inform the public of new developments on the project, including changes in traffic circulation patterns as the work progresses. Please obey all construction zone signs and flaggers, and be aware of construction equipment and personnel within the work zone. The City urges drivers to exercise extreme caution when driving in this area.
