**Subject: TRAFFIC ADVISORY – FITE ROAD OPEN TO TRAFFIC**

**Fite Road Construction Project – McLean Rd to Veterans Dr.**

---

The City of Pearland's contractor, Pulice Construction, Inc., opened the road to the public today at 5:00 pm. Traffic may now travel east and west bound on Fite Road between McLean Rd and Veterans Dr.

Construction activities will continue over the next several weeks to complete landscaping and streetlights. Please be aware of intermittent and/or rolling lane closures during this time.

Drivers should be aware of heavy equipment and construction personnel in the vicinity of the worksite, and be prepared for minor delays resulting from the construction work. The City urges all drivers to please exercise caution while in the area and obey all traffic controls and flaggers.
