**Date:** April 19, 2018

**Subject: TRAFFIC ADVISORY – FULL INTERSECTION CLOSURE AT  
MYKAWA RD AND BW 8 INTERSECTION ON SATURDAY, 4/21/18**

---

The Harris County Toll Road Authority's contractor, Pulice Construction, Inc., will be installing concrete girders on Mykawa. A full closure of the Mykawa intersection at BW 8 is expected to begin at 4:00 am and continue through 11:00 pm on Saturday, April 21, 2018. This closure has the potential to extend into Monday morning until 5:00 am. Motorists should use SH 35 as an alternate north/south route.

For the most up to date closure information, please view the changeable message board signs along the Beltway lanes leading up to Mykawa and those on Mykawa Road. The Houston Transtar website is another resource to view traffic closures <http://traffic.houstontranstar.org/construction/>.

Project activities are weather dependent and subject to change. Drivers should be aware of heavy equipment and construction personnel in the vicinity of the worksite, and be prepared for minor delays resulting from the construction work. The City urges all drivers to please exercise caution while in the area and obey all traffic controls and flaggers.

Contact information: Nick Walton, Pulice Construction Project Engineer, 713-702-5630

Thank you,

City of Pearland
