Pearland Communications

From: Susan Johnson
Project Manager, Engineering & Capital Projects

Date: July 19, 2018

Subject: TRAFFIC SWITCH 7/25/2018 - OLD ALVIN ROAD

Drainage and paving operations on the west side of Old Alvin Road are nearing completion. **Traffic on Old Alvin Road between Town Ditch and McHard Road will be moved onto the new pavement on the west side of the road beginning Wednesday, July 25, 2018 to allow the City's contractor, Angel Brothers Enterprises, to begin excavation and paving of the east side of the roadway. TRAFFIC WILL REMAIN ONE WAY NORTHBOUND ONLY UNTIL FURTHER NOTICE.** The school driveway on Old Alvin south of McHard will be closed to all traffic until the start of the school year on August 20, 2018. This partial road closure will facilitate completion of widening of the road to four lanes.

Additional Traffic Advisories will be published as warranted to inform the public of new developments on the project, including changes in traffic circulation patterns as the work progresses. Please obey all construction zone signs and flaggers, and be aware of construction equipment and personnel within the work zone. The City urges drivers to exercise extreme caution when driving in this area.
