**Subject: TRAFFIC ADVISORY – INTERMITTENT LANE CLOSURES AT
VETERANS DR & FITE RD INTERSECTION ON TUESDAY, 7/24/18**

Trail Connectivity Ph 2 Project – McLean Rd to Magnolia Rd

The City of Pearland's contractor, Tandem Services, LLC, will be striping the crosswalk at the intersection of Veterans Rd and Fite Rd as well as installing traffic signage along Veterans Rd for the Trail Connectivity Ph 2 project. Intermittent lane closures at the intersection of Veterans Rd and Fite Rd can be expected between the hours of 9:00 am and 4:00 pm on Tuesday, July 24, 2018.

See attached Veterans detour map for details.

Drivers should be aware that when this work is completed, this intersection will be a 3-way stop. Traffic traveling along Veterans will now have to stop at the Fite Rd intersection. This provides a controlled pedestrian crossing.

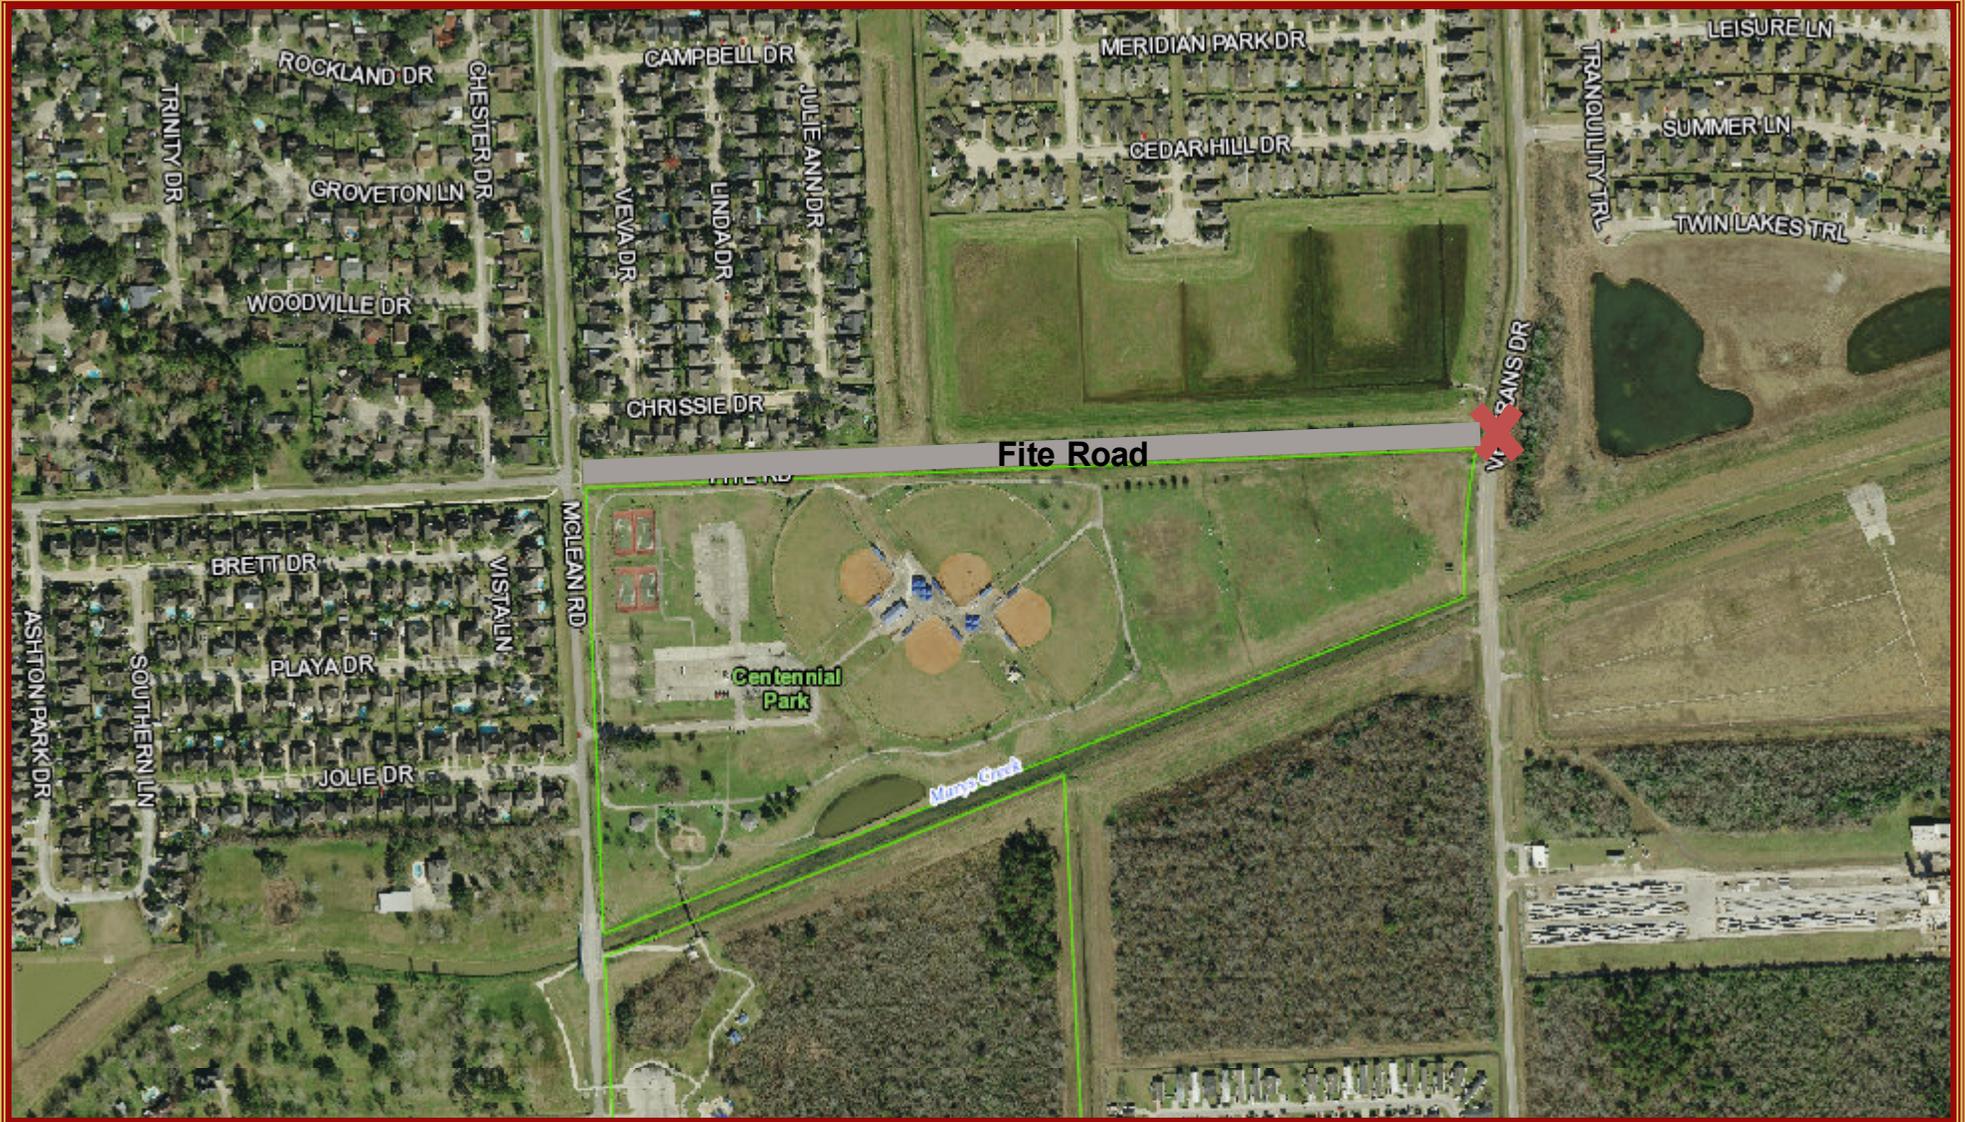

Project activities are weather dependent and subject to change. Drivers should be aware of heavy equipment and construction personnel in the vicinity of the worksite, and be prepared for minor delays resulting from the construction work. The City urges all drivers to please exercise caution while in the area and obey all traffic controls and flaggers.
