Pearland ISD

Pearland Fire Department  
Pearland Communications  
Pearland USPS

**From:** Susan Johnson  
Project Manager, Engineering & Capital Projects

**Date:** July 24, 2018

**Subject:** REVISED - TRAFFIC SWITCH ON OLD ALVIN 7/31/18

---

The traffic switch on Old Alvin Road between Town Ditch and McHard Road, originally scheduled to begin July 25, 2018, has been rescheduled to begin on Tuesday, July 31, 2018.

Drainage and paving operations on the west side of Old Alvin Road are nearing completion. **Traffic on Old Alvin Road will be moved onto the new pavement on the west side of the road** to allow the City's contractor, Angel Brothers Enterprises, to begin excavation and paving of the east side of the roadway. Paving work is weather dependent and subject to weather delays. **TRAFFIC WILL REMAIN ONE WAY NORTHBOUND ONLY UNTIL FURTHER NOTICE. The school driveway on Old Alvin south of McHard will be closed to all traffic until the start of the school year on August 20, 2018.** This partial road closure will facilitate completion of widening of the road to four lanes.

Additional Traffic Advisories will be published as warranted to inform the public of new developments on the project, including changes in traffic circulation patterns as the work progresses. Please obey all construction zone signs and flaggers, and be aware of construction equipment and personnel within the work zone. The City urges drivers to exercise extreme caution when driving in this area.
