Subject: TRAFFIC ADVISORY – INTERMITTENT LANE CLOSURES AT VETERANS DR & FITE RD INTERSECTION ON Wednesday, 8/01/18

Trail Connectivity Ph 2 Project – McLean Rd to Magnolia Rd

The City of Pearland’s contractor, Tandem Services, LLC, will be completing the modifications at the intersection of Veterans Rd and Fite Rd on Wednesday, August 1, 2018. Activities include installation of stop signs and advanced warning traffic signage along Veterans Rd for the new Trail Connectivity Ph 2 project crosswalk at this intersection. Intermittent lane closures at the intersection of Veterans Rd and Fite Rd can be expected between the hours of 9:00 A.M. and 4:00 P.M. on Wednesday, August 01, 2018. See attached Veterans detour map for details.

Drivers should be aware that when this work is completed, this intersection will be a 3-way stop. Traffic traveling along Veterans will now have to stop at the Fite Rd intersection. This provides a controlled pedestrian crossing.

Project activities are weather dependent and subject to change. Drivers should be aware of heavy equipment and construction personnel in the vicinity of the worksite, and be prepared for minor delays resulting from the construction work. The City urges all drivers to please exercise caution while in the area and obey all traffic controls and flaggers.
