**Subject: TRAFFIC ADVISORY – LEFT LANE CLOSURE ON  
PEARLAND PARKWAY AT SOUTH ENTRANCE OF INDEPENDENCE  
PARK**

## **Independence Park Improvements Project – Pearland Parkway**

---

The City of Pearland's contractor, Harper Brothers Construction, LLC., will close a portion of the left lane in the southeast bound direction on Pearland Parkway near Wheatfield Blvd. The contractor will remove and relocate nine (9) trees along the center median on Pearland Parkway and make a median cut to provide a left turn bay at the south entrance into Independence Park. Closure of approximately 1,000 linear feet of the left lane is expected to begin at 9:00 am on Thursday, August 2, 2018 and continue through 3:00 pm on Friday, August 3, 2018.

Project activities are weather dependent and subject to change. Drivers should beware of heavy equipment and construction personnel in the vicinity of the worksite, and be prepared for minor delays resulting from the construction work. The City urges all drivers to please exercise caution while in the area and obey all traffic controls and signage.

Justification: Completion of all roadway work on Pearland Parkway associated with the Independence Park project prior to the start of the 2018 – 2019 school year will minimize the impact to traffic near the school zone of Pearland High School.
