---

**On Thursday, August 2, 2018 and August 3, 2018, Wagon Trail Road between Josephine Drive and FM 518 (Broadway Street) will be closed to through traffic** as Centerpoint Energy Gas will be working on relocating an existing gas line to accommodate the City's proposed drainage infrastructure alignment.

Additional Traffic Advisories will be published as warranted to inform the public of new developments on the project, including changes in traffic circulation patterns as the work progresses.

Detour signs will assist in navigating the affected area. Please obey all construction zone signs and flaggers, and be aware of construction equipment and personnel within the work zone. The City urges drivers to exercise additional caution when driving in this area.
