From: Susan Johnson
Project Manager, Engineering & Capital Projects

Date: August 23, 2018

Subject: TEMPORARY CLOSURE OF JASPERSTONE AT OLD ALVIN INTERSECTION 8/24/2018

Jasperstone at Old Alvin will be closed for several hours tomorrow, August 24, 2018, from approximately 9:00 am to 2:00 pm to allow the contractor to remove a pipe running under the roadway. This is required in preparation for lime stabilization and grading of the subgrade, and eventually paving. Please use alternate routes to Pearland Parkway to exit the subdivision. The intersection will reopen later the same day with a temporary transition ramp to the new pavement.

Additional Traffic Advisories will be published as warranted to inform the public of new developments on the project, including changes in traffic circulation patterns as the work progresses. Please obey all construction zone signs and flaggers, and be aware of construction equipment and personnel within the work zone. The City urges drivers to exercise extreme caution when driving in this area.
