**Date:** September 5, 2018

**Subject:** CLOSURE OF JASPERSTONE AT OLD ALVIN  
INTERSECTION STARTING 9/13/2018

---

**Jasperstone at the intersection with Old Alvin will be closed to all traffic for approximately four weeks beginning September 13, 2018.** This closure is required for the contractor to pave the northbound lanes of Old Alvin, and is part of the Old Alvin Road Widening project which was approved in the 2007 Bond Referendum. **Please use alternate routes to Pearland Parkway to exit the subdivision.**

Additional Traffic Advisories will be published as warranted to inform the public of new developments on the project, including changes in traffic circulation patterns as the work progresses. Please obey all construction zone signs and flaggers, and be aware of construction equipment and personnel within the work zone. The City urges drivers to exercise extreme caution when driving in this area.
