**From:** Cara Davis, Senior Project Manager  
Capital Projects

**Date:** September 13, 2018

**Subject: TRAFFIC ADVISORY – EASTBOUND BAILEY ROAD CLOSED –  
BERRY ROAD TO MCLEAN ROAD**

**9/17/18 – 10/5/18**

**Bailey Road Reconstruction Project ~1,700 LF W. of FM 1128 to Veterans  
Dr.**

---

The City of Pearland's contractor, Texas Sterling, will be conducting pavement panel replacement activities along the eastbound lanes of Bailey Rd between Berry Rd and McLean Rd as a result of findings from the 1-yr warranty inspection. Replacement of these panels will provide a more uniform surface finish and eliminate pitting present in some sections. To accomplish this work, eastbound Bailey will be closed to through traffic between Berry Rd and McLean Rd starting on **Monday, September 17, 2018 through Friday, October 5, 2018 (weather permitting)**. During this time, driveways within the closure zone will remain accessible from west bound Bailey Rd.

Traffic traveling eastbound on Bailey Road will be detoured south at Berry Rd to CR 100. From there motorists can continue eastbound on CR 100 to McLean Rd. At McLean, turning left (northbound) will bring motorists back to Bailey Rd where they can continue eastbound.

Project activities are weather dependent and subject to change. Drivers should be aware of heavy equipment and construction personnel in the vicinity of the worksite, and be prepared for minor delays resulting from the construction work. This work however, should not interfere with access to any surrounding properties or businesses. The City urges all drivers to please exercise caution while in the area and obey all traffic controls and flaggers.
