Subject: TRAFFIC ADVISORY – SH 35 Daily Lane Closures 9/17/2018 - 9/29/2019
SH 35 Corridor Enhancements from Beltway 8 to Broadway (FM 518)

The City of Pearland's contractor, Landscape Art, Inc. and their subcontractor DL Meacham, will be utilizing temporary, daily lane closures on SH 35 to perform work in the road right-of-way. Over the course of the next year, Landscape Art will have daily lane closures along various segments of SH 35, between Beltway 8 and Broadway between the hours of 9am to 3pm daily, Monday through Friday. The lane closures may alternate between the inside and outside lanes depending on the location of work being performed. No lane closures are anticipated to extend overnight.

Project activities are weather dependent and subject to change. Drivers should be aware of heavy equipment and construction personnel in the vicinity of the worksite, and be prepared for minor delays resulting from the construction work. This work however, should not interfere with access to any surrounding properties or businesses. The City urges all drivers to please exercise caution while in the area and obey all traffic controls and flaggers.
