From: Susan Johnson
Project Manager, Engineering & Capital Projects

Date: November 26, 2018

Subject: OLD ALVIN RD. WILL OPEN TO TWO-WAY TRAFFIC
12/3/2018

All roadway paving on Old Alvin Road between Town Ditch and McHard Road has now been completed. Weather permitting, one lane in each direction will be opened to through traffic beginning Monday, December 3, 2018. The outside lanes will remain closed to allow the contractor to complete work on inlets and sidewalks. This partial road closure will facilitate completion of this road widening project approved in the 2007 Bond Referendum.

Additional Traffic Advisories will be published as warranted to inform the public of new developments on the project, including changes in traffic circulation patterns as the work progresses. Please obey all construction zone signs and flaggers, and be aware of construction equipment and personnel within the work zone. The City urges drivers to exercise extreme caution when driving in this area.
