**From:** Cara Davis, Project Manager  
Capital Projects

**Date:** November 29, 2018

**Subject: TRAFFIC ADVISORY – TRAFFIC SIGNAL TURN ON AT  
INTERSECTION OF FITE ROAD and MCLEAN ROAD  
Thursday, December 6th**

**Fite Road Construction Project – McLean Rd to Veterans Dr.**

---

The City of Pearland's contractor, Pulice Construction, Inc., through their subcontractor, Traffic Control Devices, Inc, will be performing the turn on of the permanent traffic signal at the intersection of Fite Road and McLean Rd starting at approximately 9:00 a.m. Thursday morning, December 6, 2018. Please expect intermittent lane closures and delays while the signal is being brought online.

Project activities are weather dependent and subject to change. Drivers should be aware of heavy equipment and construction personnel in the vicinity of the worksite, and be prepared for minor delays resulting from the construction work. This work however, should not interfere with access to any surrounding properties or businesses. The City urges all drivers to please exercise caution while in the area and obey all traffic controls and flaggers.

Contact information: Cara Davis, City of Pearland Project Manager, 281.652.1642  
Allen Warden, PTP Construction Manager 936.441.9121  
Catarino Macias, Pulice Construction Project Manager, 713.703.1341
