Rates and Billing

Annually, the City evaluates the cost associated with providing quality and reliable water to Pearland customers. Factors taken into rate consideration are production, treatment, and infrastructure. The City bills monthly for utility service. Water and sewer/wastewater are billed based on meter size and consumption.

***Bulk water billing is based on 3-inch meter size and consumption.**

FY25: 10/1/2024 TO 9/30/2025 BASE: \$342.96 Plus Usage \$7.37/1,000 gallons
